Minutes:

No motion required. A presentation was made.

MAYOR GOODMAN called forward DR. BARBARA JACKSON, Director of Leisure Services, and then recognized OSCAR SIDA, Microcomputer Specialist with Leisure Services, as Employee of the Month for December 2007 for devising a process to fingerprint members of Leisure Services, instead of issuing membership cards. This process not only saves the department over \$200,000 a year, but also improved security, efficiency and speed.

DR. JACKSON commended MR. SIDA and expressed her appreciation to him for all his hard work. He is a wonderful employee, with a great sense of humor.

MR. SIDA thanked DR. JACKSON and all his supervisors at Leisure Services for this recognition and for making his job so enjoyable. This is truly an honor for him.
